Ocean Beach is unique. We are a year-round community and beach resort, yet we are within a national park. We have a bustling town, yet we have a stunning natural environment, outstanding recreational opportunities, and relaxed quality of life.

We ask you to respect our natural resources, residents & visitors.

OCEAN BEACH QUALITY OF LIFE COMMITTEE

★ SOME CRITICAL LOCAL REGULATIONS ★

Full details of all rules & regulations are on the official village website
www.villageofoceanbeach.org

GARBAGE

Deer, raccoons and rats tear into garbage. You are responsible for keeping your property clear of garbage.

Garbage pickups are Wednesday & Sunday nights at 7 PM.

Garbage must be placed in closed plastic bags inside each pail. Lids must be securely fastened in order to deter foraging animals and keep our streets clean. Failure to comply WILL result in a summons.

Recyclables are collected on Sunday nights only and include plastic drink bottles, beverage cans, metal cans, glass bottles (no caps). Place in WRAP recycling container.

PETS

Bare feet and dog deposits are an unpleasant mix.

Dogs must be leashed in all public areas of the Village.

Dog walkers must carry a waste bag and clean up thoroughly.

Dogs are not allowed on the beach at any time.

NOISE

Be respectful to your neighbors when walking home at night.

Music and voices are easily heard in the houses on either side of you, behind you, and across the road.

Especially after 10 PM, keep it quiet, low music, low voices. Noise should not be heard "outside the perimeter of the property."

FOOD & DRINK

Food and drink are not permitted on the beach, overpasses, or walks.

No open alcohol on the beach, overpasses or walks. Water in clear plastic bottles is permitted.

FIRE IS OUR GREATEST THREAT

Never toss a lit cigarette. Carefully attend to your grill.

Thank you for keeping Ocean Beach a special place!
