January 11, 2013

Dear Permit Holder;

The Village of Ocean Beach and the Ocean Beach Police Department are asking for your cooperation. In light of Hurricane Sandy, there is more vehicle traffic than ever before. Since the storm, we have extended many courtesies and now is the time we need you to be cognizant of our rules and regulations. This letter will act as your only warning.

- The speed limit in the Village of Ocean Beach is “5” miles an hour.
- Do not park any vehicle and leave it unattended blocking the walk.
- Make sure your permit is affixed to the rear view mirror so it is easily seen.
- Make sure all vehicles are currently registered and inspections are up to date.

If you have any questions reference any Village of Ocean Beach Laws, please call us.

Sincerely,

George B. Hesse
Chief of Police
