January 2014

Dear OBYG families,

Welcome back to the 2014 camp season. We are so grateful for the successful season we had last summer despite the damage from Hurricane Sandy and being displaced from our home, Windswept. We're happy to announce renovations have begun on Windswept, however they will not be finished in time for the summer. Fortunately, we will have use of the Windswept dock, Community House and The Woodhull School again which worked so well for us last summer.

The 2014 camp season will run from June 30th through August 15th. Once camp starts, we will be offering additional after-camp activities including sailing, wakeboarding, and hip hop. Children ages 10-13 may enroll for afternoon electives upon arrival at camp.

OBYG is a non-profit organization that puts every dollar it makes into providing top-notch programs for our campers as well as remaining the largest employer of teenagers on Fire Island, but our primary focus has always been community. We are committed to making the unique OBYG experience available to everyone, but unfortunately we have been losing that ability due to unpaid tuitions. Therefore, this season, every camper's tuition must be paid in full, **as well as all balances from past seasons cleared before the first day of camp**. If your child has any outstanding balance or his or her tuition is not paid, we will be forced to send him home until the account is settled.

Please contact our offices prior to the first day of camp if you have any questions or financial hardships, and we will be happy to discuss a reasonable plan so your child can participate at camp. **We must be contacted prior to June 30 in order to make this happen.**

OBYG's website, www.obyg.org, is updated on a regular basis and you can download registration and medical forms there. Please remember to check it regularly during the camp season to stay on top any changes to the schedule. Registration will take place now through May 31st, 2014. After May 31st, there will be a 10% late fee on all registrants. **If you pay in full by March 1, we are pleased to offer you a 5% discount.**

Lastly, to comply with the Board of Health regulations, it is mandatory to have an up-to-date medical form on file for each camper before they begin camp. Campers will not be able to start camp without their completed medical forms.

Stay warm and if you have any questions, please contact Ralph Scordino at 631-669-0058. We look forward to another wonderful summer.

Sincerely,
Ralph Scordino and the OBYG Board of Directors
