SUFFOLK COUNTY ALARM SYSTEM EMERGENCY DIALING – ACTION NEEDED

Due to Suffolk County's new area code, all dialing in Suffolk County must include the 631 prefix including auto dialing alarm systems.

Please be advised that if your alarm system does not include the 631 area code, your alarm system will not dial your central station to report an emergency. This action needs to be corrected immediately.

Thank you for your attention and immediate action.

Very truly yours,

Ian Levine
Fire Chief

Ted Minski
Fire Marshal
