PRESS RELEASE

DRINKING WATER STATE REVOLVING FUND RECIPIENTS – STORM MITIGATION LOAN PROGRAM

As a recipient of financing through the Storm Mitigation Loan Program (SMLP), which is administered by NYS Dept. Of Health and NYS Environmental Facilities Corporation through the NY Drinking Water State Revolving Fund (DWSRF), we are required to issue this press release.

Construction of upgrades and improvements to the Village of Ocean Beach Safehouse and Storage Facility at 175 Surfview Walk, Ocean Beach was financed by the Drinking Water State Revolving Fund. The Drinking Water State Revolving Fund program is administered by the NYS Dept. of Health and the NYS Environmental Facilities Corporation with joint funding from the US Environmental Protection Agency and NY State.

This project will provide clean water quality benefits for community members in and near the Inc. Village of Ocean Beach. The DWSRF programs operate around the country to provide states and communities the resources necessary to maintain and improve the infrastructure that protects our valuable water resources nationwide.
