Chief of Police and Board of Trustee Members:

Upon further review of the recent events of this past weekend and Notices of Violations that were issued in the Commercial District, please be advised that the matter has been tabled and is to return to the Sign Committee. They will reconvene in early Fall and come up with new guidelines to be enforced in the Spring of 2017.

However, the Village is still enforcing “no sandwich boards and no self-illuminating lights” and will not permit any new commercial signage until the Code issues are resolved.

James S. Mallott,
Mayor
