Re: Clean Water State Revolving Fund (CWSRF) Project No. C1-5122-07
Sanitary & Stormwater Sewer Resiliency/Replacement
Village of Ocean Beach
Suffolk County
SPDES No. NY0020168
Engineering Report Approval

Dear Steven Brautigam:

The New York State Environmental Facilities Corporation (EFC) has reviewed your submission(s) for the referenced water pollution control project. Enclosed, please find the EFC stamped cover page(s) for the following documents:

Engineering Report entitled "Village of Ocean Beach Sanitary Collection System Condition Study" dated November 2020 and prepared by D&B Engineers and Architects, P.C.

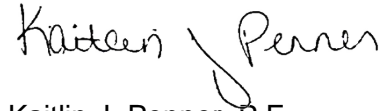

The reviewed submission is hereby approved and made eligible for Clean Water State Revolving Fund (CWSRF) financial assistance by the EFC. The submission meets CWSRF program requirements and applicable State rules, regulations, and standards concerning the design of wastewater treatment facilities and water pollution control projects. EFC has been delegated authority by the New York State Department of Environmental Conservation (NYSDEC) to approve engineering reports, plans and specifications, addenda, and associated change orders for projects that are eligible for CWSRF financial assistance. This approval supersedes the previous approval from myself dated October 19, 2016 for the Engineering Report entitled "Sanitary Sewer Collection System" dated October 12, 2016 by D&B Engineers & Architects, P.C.

In order to be in a position for timely disbursements, please ensure the items below are completed, if you have not done so already.

1. Submit executed engineering agreement(s) for planning, design and construction management services incorporating EFC Bid Packet, if planning to finance with EFC.
2. Obtain Final State Pollution Discharge Elimination System (SPDES) permit revisions, if necessary.
3. Submit Final Plans and Specifications incorporating EFC Bid Packet WITH completed Engineer's Certification of Technical Requirements (attached).

If you have any questions please call Marnie Chancey, Project Engineer, at (518) 402-7396.

Sincerely,

A handwritten signature in black ink that reads "Kaitlin J. Penner". The signature is written in a cursive style with a large, stylized initial 'K'.
